CHECK OR DATE EACH BOX
AS YOU FINISH THE MODULE

MY PROGRESS TRACKER

Technician Class License

Lesson 1											
1A	Conversions										
1B	Radio Frequency										
1C	Electricity & Electronics										
1D	Ohm's Law and Power										
1E	Circuits and Components										
Lesson 2											
2A	Schematics										
2B	Radio Waves										
2C	Power Transmission & SWR										
2D	Antennas										
2E	Transmission Lines										
Lesson 3											
3A	Modulation										
3B	Hardware										
3C	Transceiver Functions										
3D	Digital Modes										
3E	Power Supplies										
Lesson 4											
4A	Talking to other Hams										
4B	Accessing Repeaters										
4C	VoIP										
4D	Nets										
4E	RACES & ARES										
4F	Satellites										
4G	License Rules										
Lesson 5											
5A	Bandplan										
5B	License & Etiquette										
5C	Miscellaneous Rules										
5C	Safety
